002 – OD-Day and International Week

What was discussed:

- Herman came forward to present the item:
 - International Week is next week – the class representatives will be assigned tasks.
 - Give the information pamphlet to your class **by tomorrow at the latest**.
 - It contains important information about payments, etc.
 - IW is student-run – next Tuesday there will be an International Cafeteria.
 - Food can be made from different cultures and set out in the Assembly Hall so that people can taste food from your country/culture.
 - It is very important to run the Forms survey tomorrow about participation in IW (if you are going to work: participation in the catwalk).
 - The catwalk will be held on Friday **22 October** during the second period and the mid-morning break, to present the country/culture you come from.
 - The class that collects the most gets 14 pizzas.
 - To the class representatives: **you** are to present the Forms survey in front of your class, and ALL students **MUST** answer it.
 - Uncertain about the arrangements for this coming Thursday.

003 – School merch

What was discussed:

- Feedback from last year:
 - The "Snegla" design was nice last year
 - The Art Committee can run a competition for the design of the jumper.
- University or Nordic as producer:
 - We are switching back to University as our supplier.
- Positive feedback on holding another design competition.
- Should a jury be appointed, or should the Student Council assembly vote democratically on the design?
 - A ranked vote?
 - The Student Council board picks the best designs, and the whole school gets to vote on them?
 - Every class representative gets their own Forms survey where everyone in their respective class votes, which then becomes one collective vote.
- A vote was held:
 - Herman and Viggo were elected as tellers.
 - Those voting AGAINST believe that every student should have the right to vote – the AGAINST side won.
 - It has been resolved that every student gets the right to vote on the school merch item.
- The prize for the winner of the design competition is one free school jumper.
